CIRCULAR ON THE 2025–2026 TROTTING RACE SCHEDULE AND IMPLEMENTING PROVISIONS FOR 2026

3.2. Allocation of numbers and declaration of drivers

Notwithstanding the provisions of Article 47 of the Trotting Race Regulations and unless otherwise specified in the relevant regulations approved by the Administration, the draw for numbers for the Grand Prix races shall take place after the declaration of runners, which is held earlier than for the other races of the meeting, in public and broadcast on television.

The allocation of numbers for Group I, II and III Grand Prix races is carried out, in accordance with the parameters set out below and unless otherwise provided for in the relevant regulations approved by the Administration, by means of a draw for the first two rows.

3.9. Grand Prix races for three-year-olds

The starting order for Grand Prix races for three-year-olds is determined on the basis of a ranking drawn up using the following criteria:

~~–total career winnings up to 30 June;~~

- from 1 July onwards, total career winnings and winnings from the horse's last five races, provided these were run within the preceding 12 months, including the month of the race.
